

## Colour in the monster!

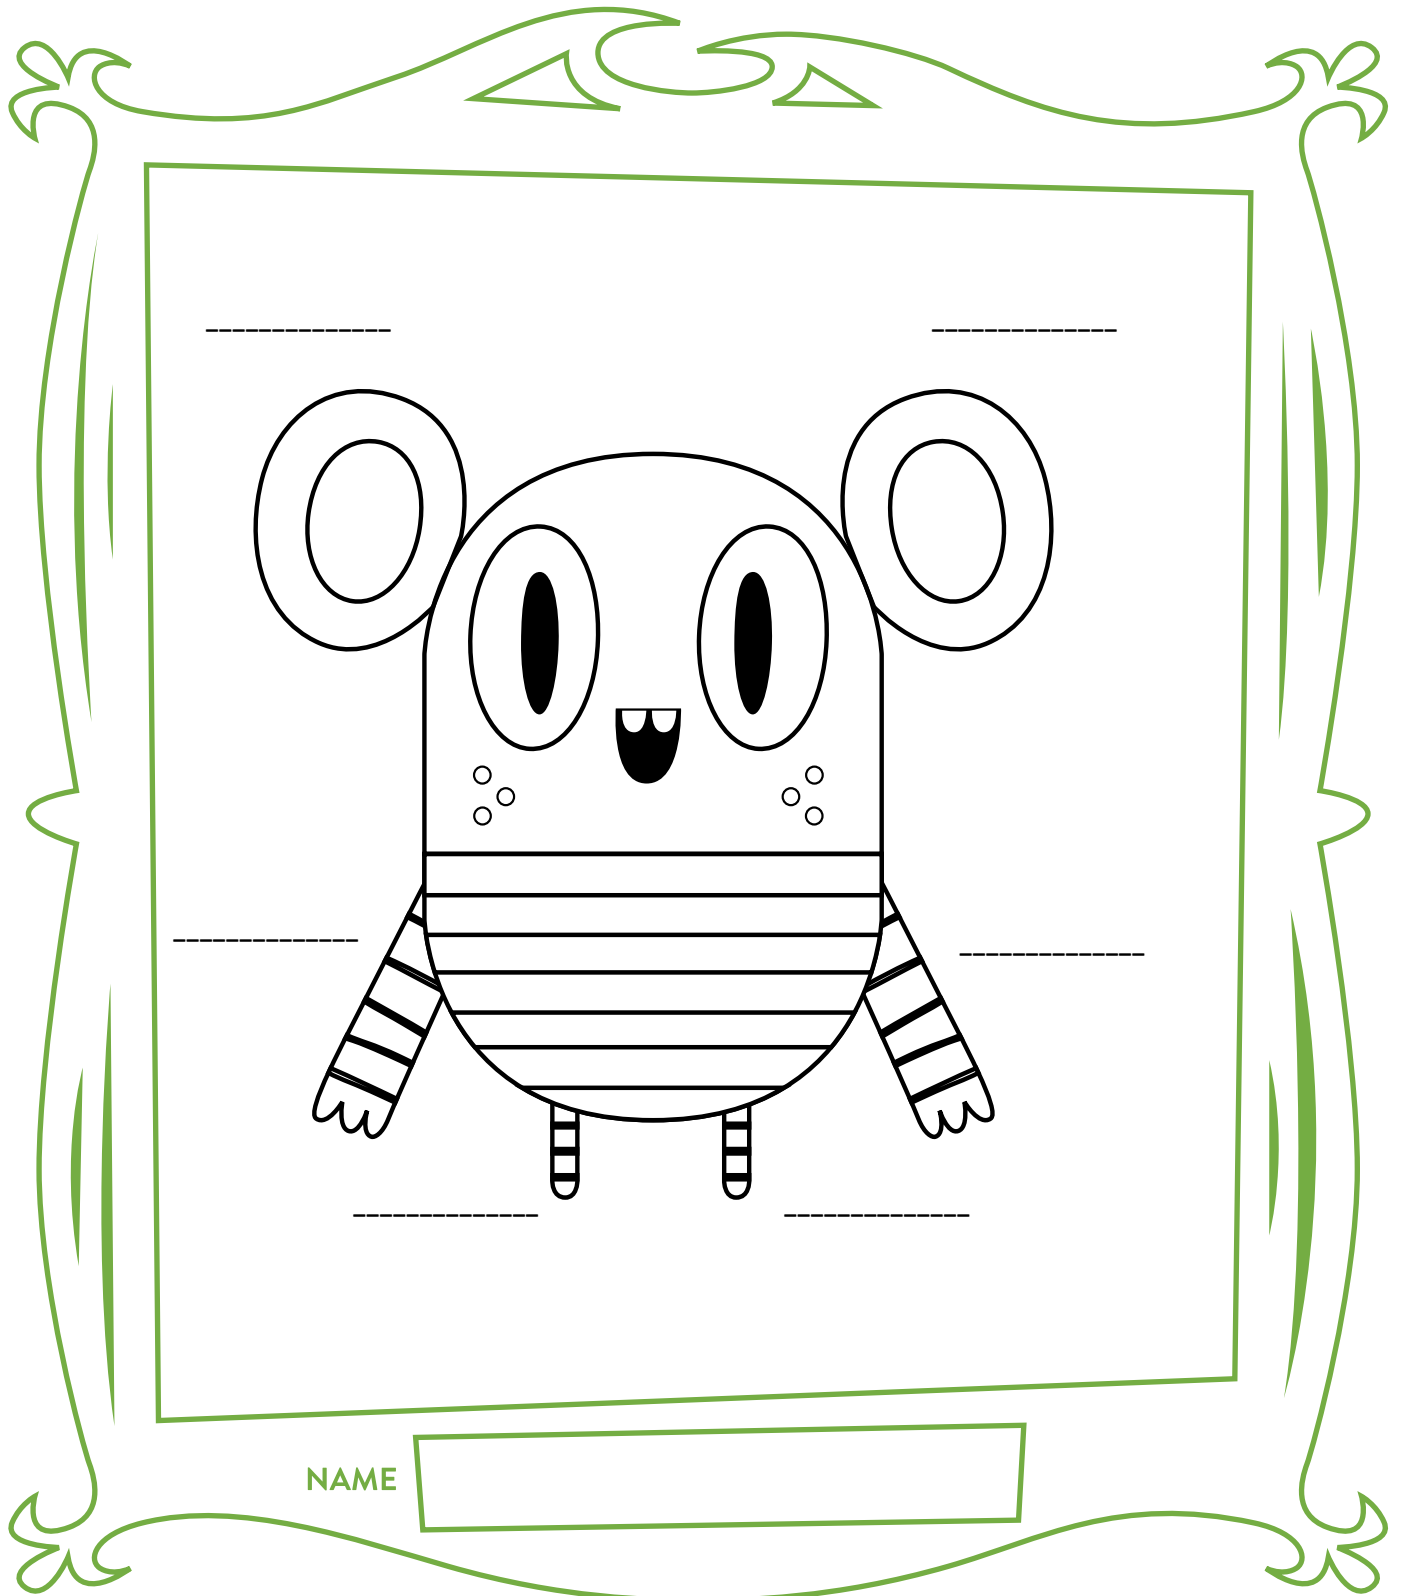

The monster has been feeling unwell. He's a little pale.  
Can you colour in the monster to make him feel better?

What colours have you chosen to use?  
Can you name the different parts of his body?  
How many limbs does the monster have?

Email us your drawings and we'll add them to our Facebook gallery and blog - we'll give the most colourful drawing some Usbone books!
