

A Monster Christmas present...

Christmas is coming and the monsters are busy getting ready.

We need your help finding out what presents the monsters would like.

What present would you give the monster?

What do monsters need? Do they need a new outfit, a way of talking to other monsters, a new toy or something to help them?

Can you draw your monster a Christmas present? You will need to tell us what it is and how your monster would use it.

If you email your presents to dannie@teachyourmonstertoread.com by 24 December 2012 we will award the designers of the most imaginative Monster Christmas presents with some Usborne books!

Draw your Monster Christmas Present here:

Name of present:

How will the monster use the present?
